Voice by LILA

Commission now. Salary next.

Sell Lila, an AI voice assistant that answers leasing and maintenance calls 24/7 for apartment communities.

21 of 50 apartment communities we called after hours sent us to voicemail or a broken line. That's your market.

$425
paid on every close

10%
of each client's monthly fee, for 12 months

$72K
W-2 base salary after 30 closes in 60 days

+$150
bonus per close above 10 a month on salary

What one close earns you

Based on the $299/month plan

$783.80

$425 upfront | $358.80 residual

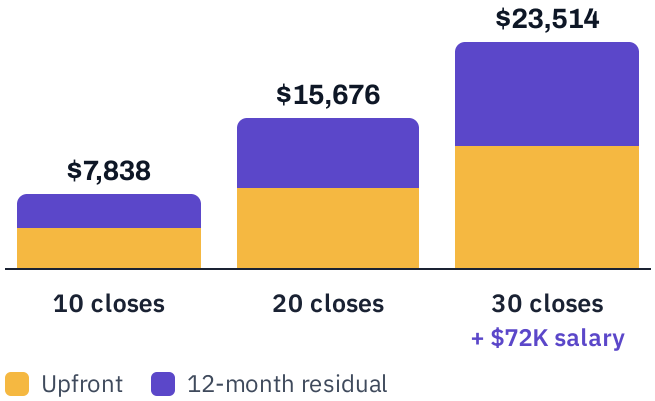

Residual paid monthly: $29.90 × 12 months

Month 1 — Month 12

Every client you sign keeps paying you for a full year.

Your first 60 days

Total commission per number of closes, incl. residuals

How it works

1. **Apply & sign NDA**
   A quick intro call, then a mutual NDA.
2. **Shadow for a day**
   See real calls and live demos first.
3. **Sell for 60 days**
   Commission only (1099), paid per close.
4. **Hit 30, go salaried**
   $72K W-2 next month. Keep it at 10+ closes a month.

We hand you the toolkit

- ✓ Targeted call lists
- ✓ Proven call scripts
- ✓ Live demo line for prospects
- ✓ Full training kit
- ✓ Simple pricing: $299/month
